

MARINER 1971

DEDICATION

MR. & MRS. JAMES F. OLDE & ERIC

We may forget functions and figures, but we will never forget the man who planted them in our minds.

For the help and patience in the classroom, and time and effort spent in extracurricular activities, we, the annual staff of Marine City High School, wish to express our appreciation by dedicating the 1971 Mariner to James F. Olde.

FOREWORD

The school year of 1970-71 was one marked with many changes: 70 minute classes, G hour, 15 minute break, new principal, cross country, return of the clubs, no free time, empty cafe, and new coach.

All these things together have helped to make this another successful year.

Debbie Holland, Senior

IN ACTION

Nancy Ames, Junior

Nancy Lindow, Junior

Marsha Kundrick, Sophomore

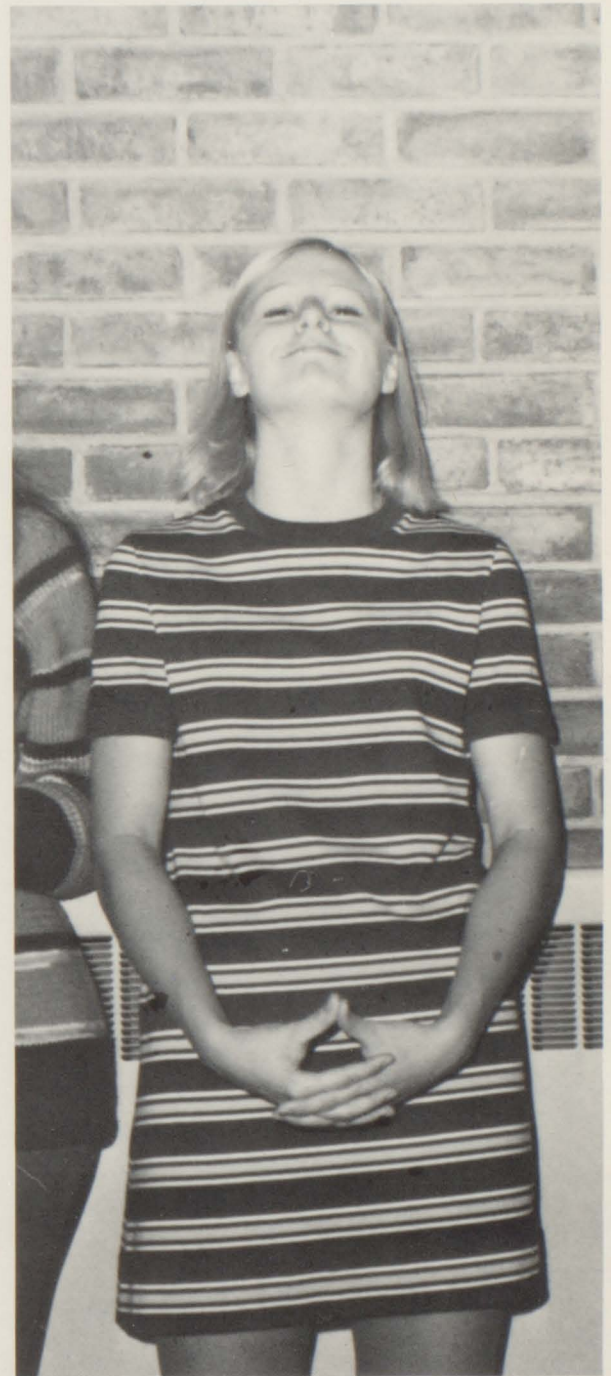

Barbara Russell, Freshman

Even though on the surface M.C.H.S. Homecoming appeared a loss, the spirit was there. From snake dance to the game, the flame of the bonfire burned on. Smiling faces, blaring horns, flying eggs, and the fighting Mariners edged us through another Homecoming.

Cross Country is in its' first year at M.C.H.S. brought here by Jim Olde, the coach. In this sport you run over a course involving all kinds of terrain, which is about $2\frac{1}{4}$ miles long. This year the number of participants was few but Mr. Olde is hoping for a better turn out in the coming years. We would like to thank Mr. Olde for bringing this sport to M.C.H.S. and wish him better luck for next year's meets.

THE CAPTAIN OF OUR SHIP

This year Mr. Charles Cotten arrived at Marine City High School as our principal. Before coming to Marine City, he taught and coached at St. Clair High. Mr. Cotten's face was not new to us since he had been a counselor at Marine City High and principal at Marine City Intermediate.

Mr. Cotten received his Bachelor of Arts at Central Michigan. He then went on and received his Masters degree at Michigan State.

The students and faculty hope that Mr. Cotten's stay at Marine City High School is filled with luck and success.

SMILING HELPERS

Did you ever stop to wonder how our school runs so smoothly? Well, here is your answer: It takes a lot of work and a lot of time to run a school. Mrs. Chartier, Miss Daly, and Mrs. Cartier, our three lady-knights-in shining armor are just the three to do it.

SEWING & TYPING CLUBS

Oh—my finger is under there!

Now—this is a typewriter

I think I'll make a . . .

Hey—look at that!

SKI CLUB

This isn't what it looks like in the movies!

Faithful watcher!

This is scary!

Since it was your idea, you go first!

I don't like this!

You mean this isn't how you do it?

You're nuts if you think I'm going down there!

Just resting!

STUDENT GOVERNMENT

Marine City High School's Student Government does many things in our school that people don't know about. For instance, did you know that they head all class elections besides Student Government elections? They also take full charge of all homecoming activities, including election of representatives, bonfire, decoration of the gym, and after game dance. Many members have given up the privilege of watching home football and basketball games so that you could have refreshments.

Our Student Government also is a member of the St. Clair Area League Student Council which includes Algonac, Anchor Bay, Chippewa Valley, Cros-Lex, Marine City, Marysville, Port Huron Catholic, and St. Clair. Tom Beckett, our President, is also the Vice President and Parliamentarian of the SCALSC.

The 1970-1971 Student Government officers of Marine City High are: Tom Beckett—President, Paul Sharrow—V.P., Janet Benoit—Sec., Susan Steinmetz—Tres., Patty Heisler—Parl.

UNITED NATIONS CLUB

On December 2, the United Nations Club took 35 of its members and went to the United Nations in New York. The club left early of that Wednesday morning, and took a bus to the Paramount Hotel. Some of the things that they went to were the United Nations General Assembly, the Headquarters of the United Nations Association, and the Staute of Liberty. Chaperones were from right to left: Peggy Butler, Johnny the bellhop at the hotel, Marie Klie-man, Mike LaBuhn, and Mrs. Grace Zapel, advisor. Mrs. Zapel said that the club will be going to New York for the next five years.

Hey - We're here

One for the road.

We feel good

Getting ready for the UNICEF March

We don't care if we ever go home.

Boy, are we ever having a riot!

One of the sights!

Time out for lunch.

What a boring job!

Wait until they see the foldout!

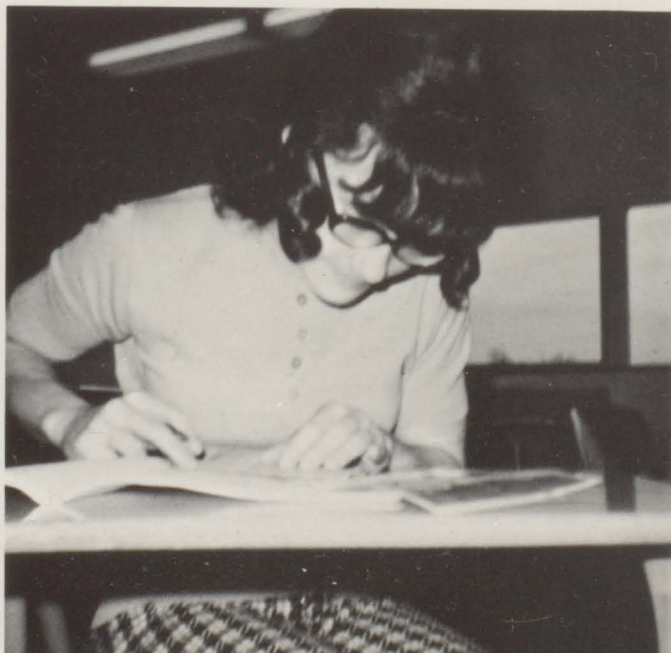

Ooh, won't we ever get it finished?

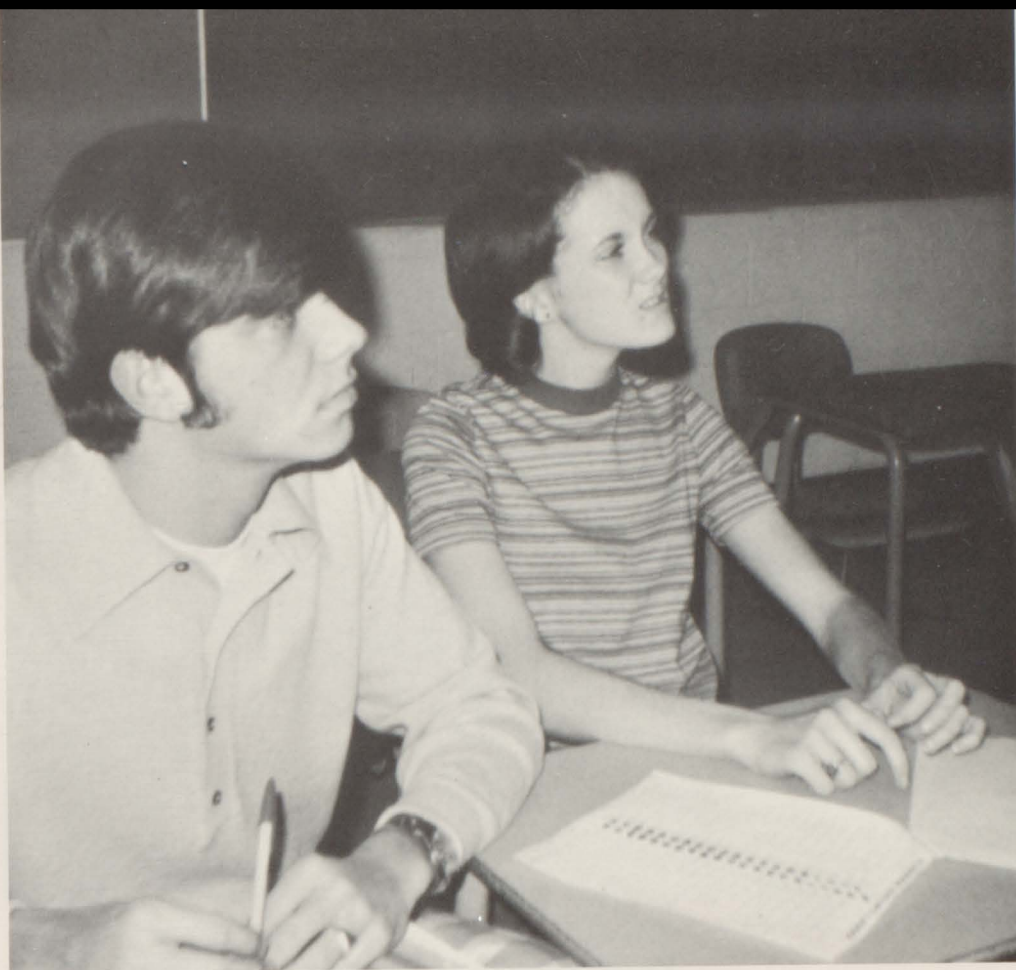

I don't think I can take much of this.

Hard at work.

I don't like it, do you?

IN MEMORIAM

Many times we do not appreciate all that our teachers have done for us until something happens to make us think back and realize that they wanted to help.

Mr. Walter Green, who graduated from Michigan State University with a Master of Arts degree, came to Marine City High School in the fall of 1965. He taught Agriculture and was the head of the F.F.A. He helped keep score at basketball games and also contributed his services at football games.

To the wife and children who Mr. Green has left behind, we would like to show our appreciation for all he has done for us.

Here it is—the 1970-71 school year of M.C.H.S. in one neat package. It isn't wrapped with pretty paper and ribbons, but it simply focuses on the life of each and every Mariner.

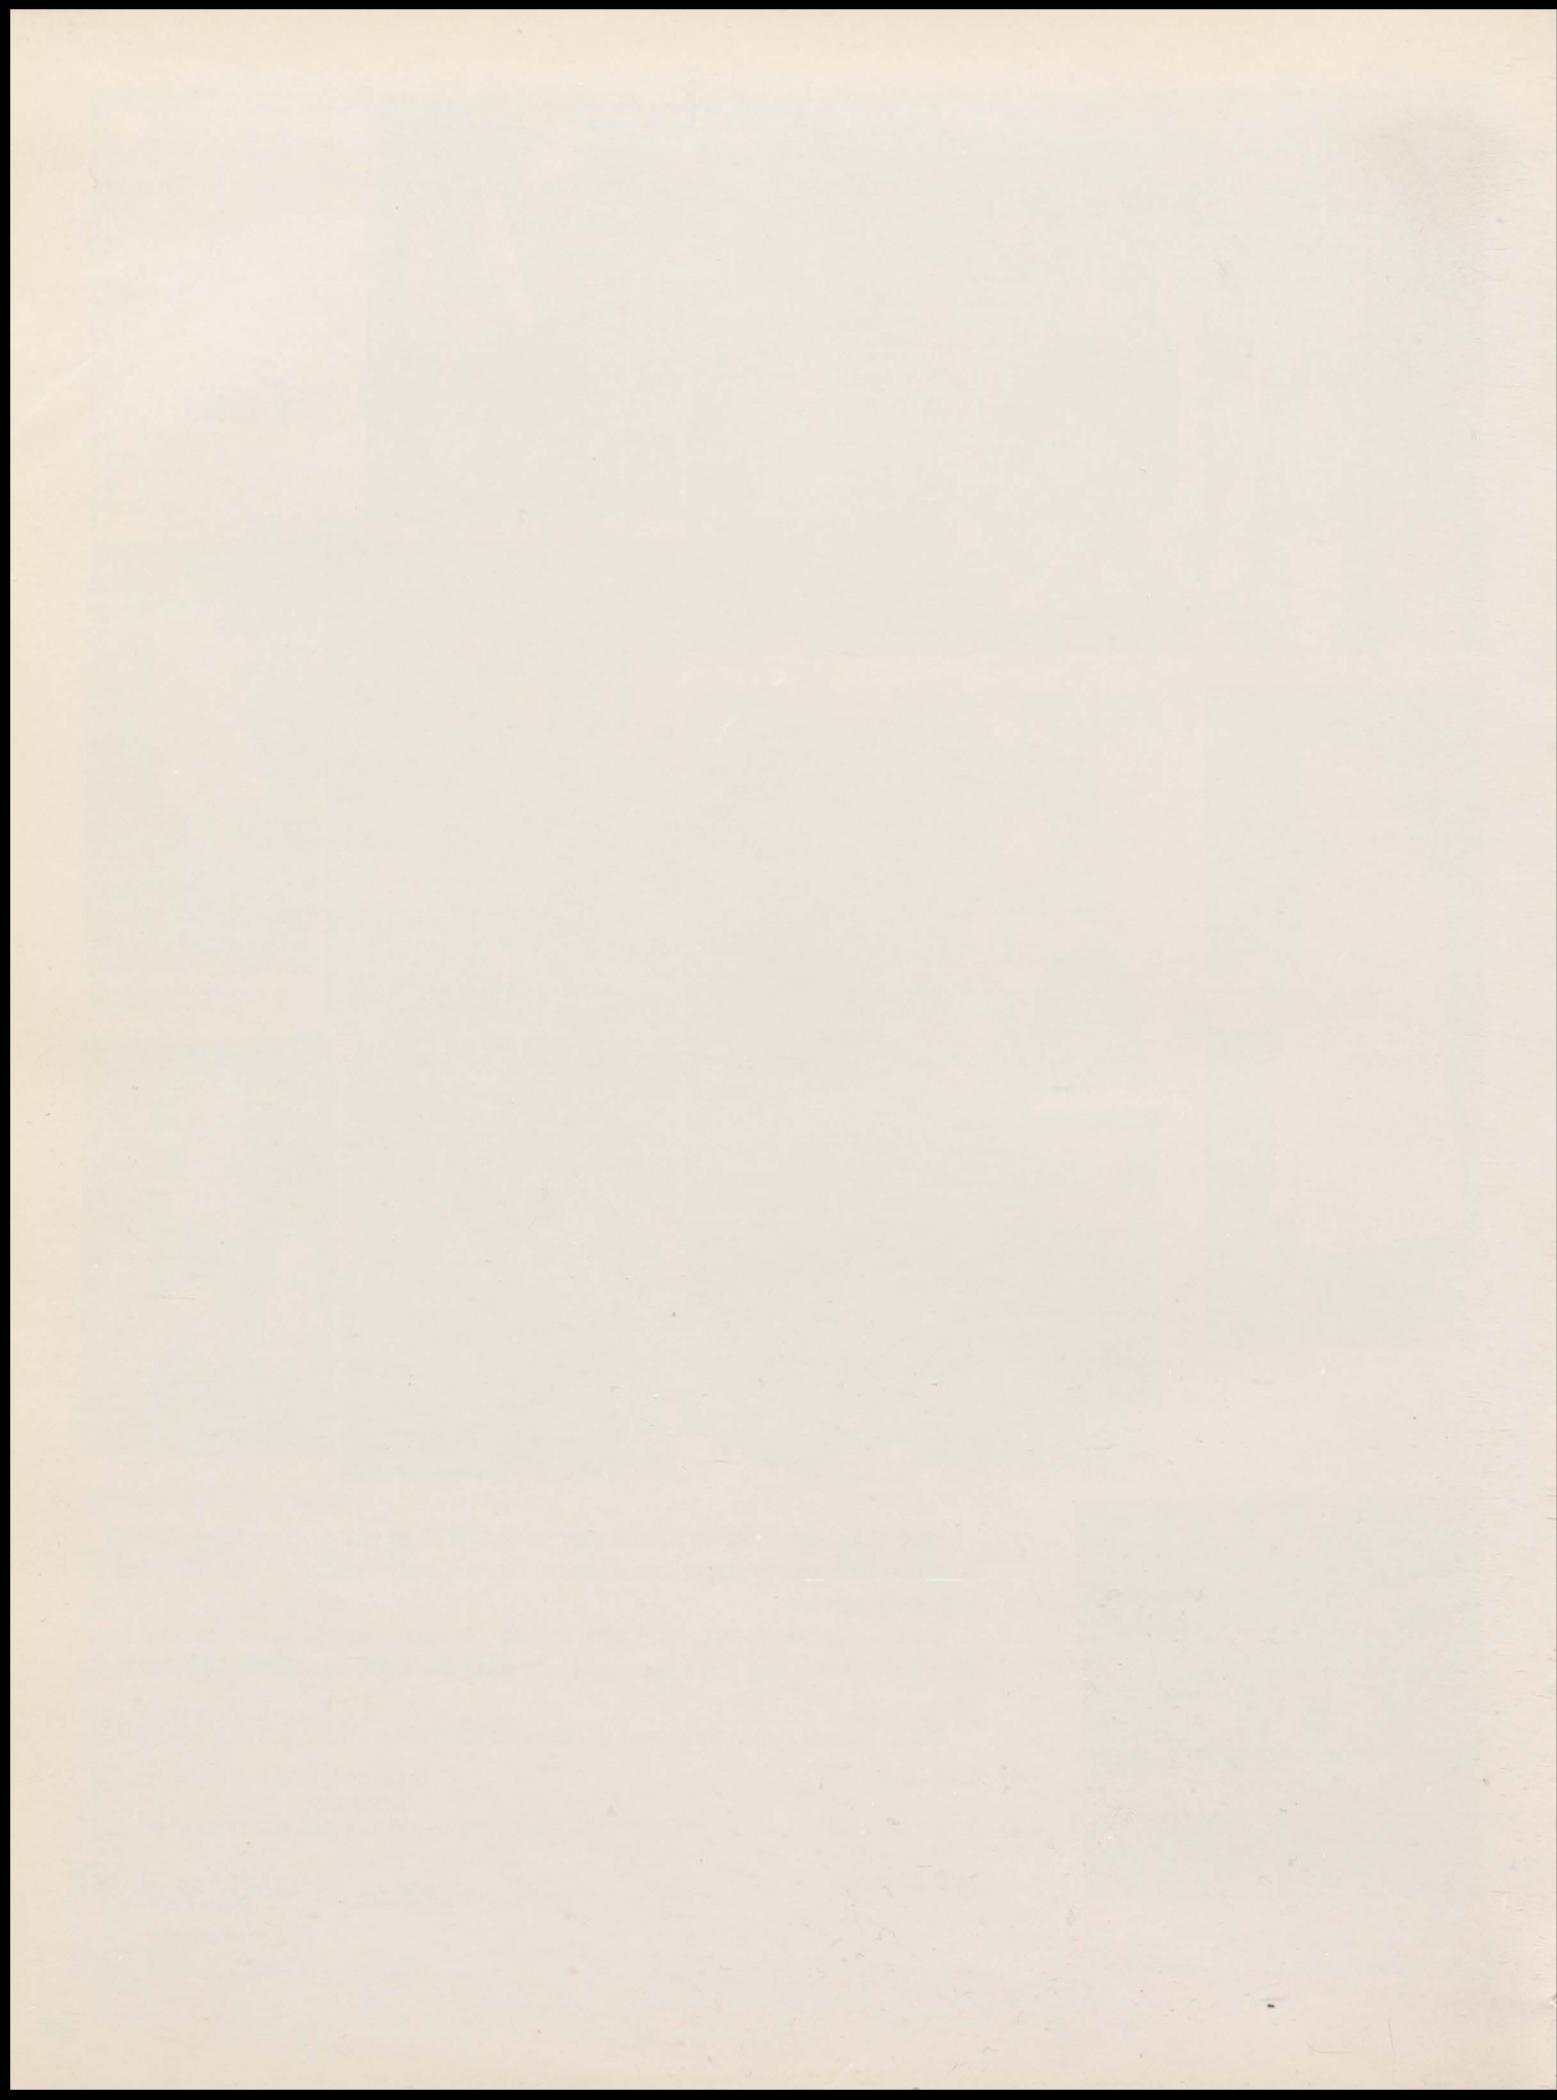

To the yearbook staff, Mr. Cavis, and Mr. Archer, I would like to extend my personal thanks. The 1971 Mariner could not have been completed without their help.

We hope you enjoy this book as much as we have enjoyed putting it together.

Sincerely,

Linda Lewis
